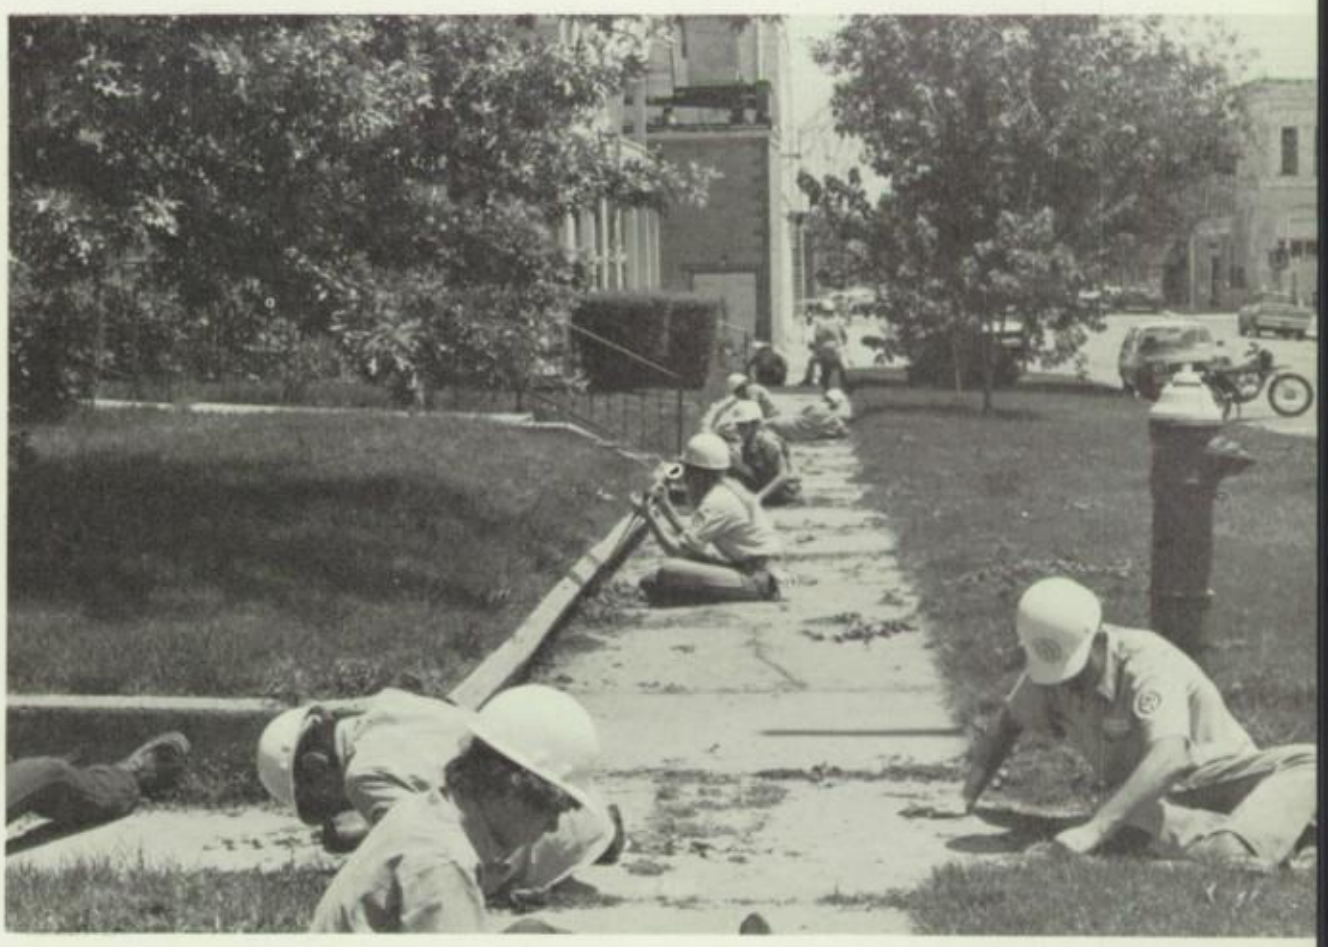
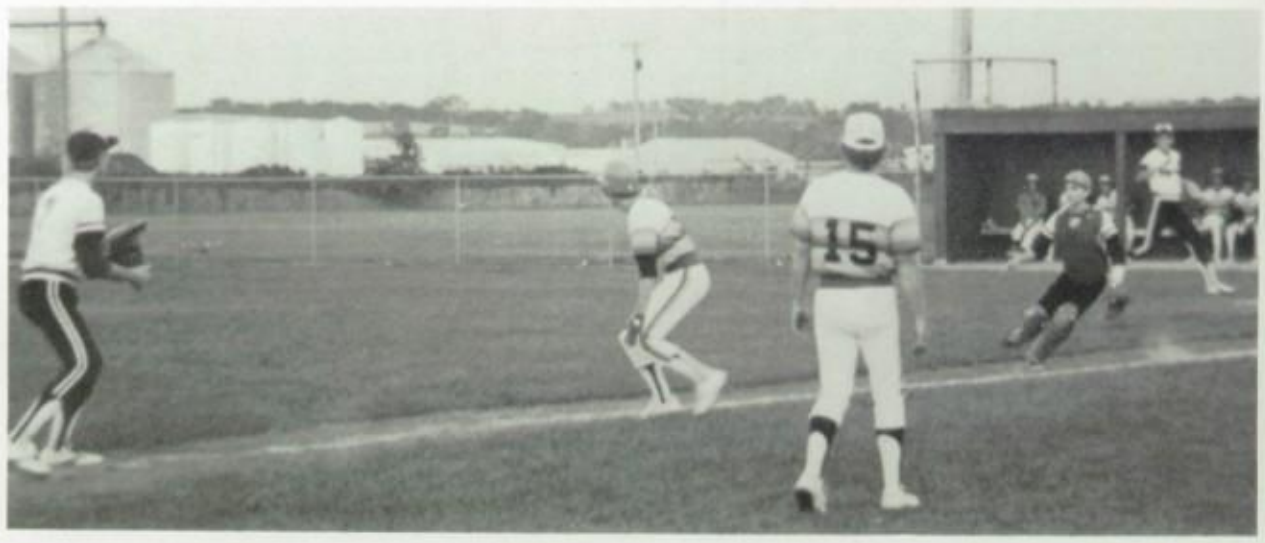
The Youth Conservation Corps (YCC) has been an active summer work-education experience for Clarinda High School students since 1975.

The eight week program provides a worthwhile work exeperience in providing some 15 to 20 youth each year with outdoor conservation type work projects on public lands in Page County. In addition to the work experience, each participant is involved in numerous educational and recreational activities.

This popular summer program is available to any 15 to 18 year old resident of Page County. Participants are randomly selected from all eligible applicants.





# Baseball

The Clarinda baseball team started off on its left foot this season. With the confusion of who is going to be head coach the team went 8-15 for the year. The team was led by John Helsel in batting with a .428 average and a .628 on base percentage. Steve Bramble led the pitching department with Mike Johnson and Pete Mason giving good support.

# Volleyball

The 1981 volleyball team was a total team effort with all twelve players seeing action in about every match played.

We received great leadership from our seniors.

Rozann Hartstack - MVP, 1st team all SWI, 3 team-all state 2A, 3rd team elite, special mention all-state, and 2nd team all-conference.

Cheryl Hicks - honorable mention all-state 2A, 2nd team all-conference.

Jean Kokenge - honorable mention all-state 2A, 2nd team all-conference.

Susan Paulson - honorable mention all-state.

Susan Esaias - coming off a shoulder injury was one of the best servers in the state.

Cheryl Hicks was our leading spiker. Cheryl was a very smart player and could read other team's defenses. She would draw you up with the dink, then knock it deep with a spike.

Sandy Nelson's quickness, and defensive floor play was a key to our serve reception and defensive game.

The most improved player was Andrea Brown. Andrea played JV most of the season and did a terrific job during the tournament.

Dawn Nowakowski developed into an ace spiker and met the challenge on the road to state with confidence and determination.

This volleyball team is like a first love. It's one you will always remember!

Events that club members participated in or sponsored included: Homecoming chili supper, running concessions for home football games, boosting school spirit with "Pride from the Side." window and street painting, and filling helium balloons to be released during ball games. During the middle of the year, FHA'ers were involved with fund-raisers, District and State conferences, sponsoring the Valentine's Sweetheart Dance, preparing the FFA banquet, constructing and selling over 1000 Candy-grams and taking flowers to the hospital took place during Valentine's week. The club chose Des Moines for a place to go as a Field-Trip, Skip Day in April. Then in May, the year was completed with the senior FFA-FHA-faculty breakfast, prepared by the underclass members.

# AFS Club

The AFS Club is a group to help orient our foreign students to CHS and American student life. Our delightful student guest was from Australia — Karyl Treble — and we enjoyed her "down under" language and great sense of humor. Under the Americans Abroad program, Anne Woolson spent the summer months in Norway. Both these participants acted as leaders in th AFS activities. The AFS Club acted as co-sponsors of the Week's activities to raise funds for the AFS program by a school carnival and competition between classes.
